REASONS FOR ALLOWANCE

1. This is an Examiner's Statement of Reasons for Allowance. The closest prior art Ote et al (U.S. pat. No. 5,815,652) discloses a computer management system that includes an agent connected to a computer to be managed for executing instructions on the computer to be managed, a service processor board having a processor independent from the computer to be managed for monitoring fault in the computer to be managed and controlling power of the computer to be managed.

However, Ote et al singularly or in combination fails to anticipate or render obvious the recited feature:

As per claims 1 and 12 " converting said instruction into a power unit control signal, wherein said second means controls said power unit based on said power unit control signal wherein said power unit continuously supplies power to said second means, and wherein said second means, upon converting said instruction into said power unit control signal, transmits said power unit control signal to said first power supply unit to perform on and off control of said device".

Conclusion

2. inquiry concerning this communication or earlier communications from the examiner should be directed to Pierre E. Elisca whose telephone number is 571 272 6706. The examiner can normally be reached on 5:30 A.M-6:00 P.M.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Trammell can be reached on 703 305-9769. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
